Subject: Gulfco Marine Superfund Site - Request from Parker Drilling for an  
additional extension to respond to EPA's Sec 104(e) questions

Mr. Eldridge:

This email confirms that EPA has received your request for an additional extension of time to respond to the 104(e) questions included in the General Notice of Liability letter sent to your client, Parker Drilling. Please be advised that EPA hereby grants the extension you requested and will anticipate receiving your response no later than September 4, 2003. As we discussed during our phone conversation on August 4, 2003, you may need to supplement your original response to EPA should additional information be found during your review of documents provided in response your client's Freedom of Information Act (FOIA) request.

If you have further questions, please contact me.
